I am Bob J. Mercier, Whitetail Deer Behavior Expert, and Personal Consultant to more than 5000 deer hunters who seek close encounters with the biggest-racked buck that walks the land they hunt. I am happy to invite you to use my methods to have close encounters with big-racked whitetail bucks and does.

As you know I am operating Deer Behavior Specialists LLC as a consulting firm, and Dominance Is Everything...To A Monster Whitetail Buck! ©2011 by Bob J. Mercier book sales outlet. I do not have a brick and mortar store. I sell through the internet on my websites www.deerbehavior.com and www.dominanceiseverything.com I also make sales through phone conversations.

Mindful Of Nature LLC was the business I owned and operated from 2010 to 2019. I closed Mindful Of Nature LLC and started Deer Behavior Specialists LLC in 2019, in an effort to give every deer hunter advice when they sought it. I now offer Advice By Phone, and Private Lessons. I do not plan to have any indoor seminars in 2021.

Due to the COVID-19 Pandemic, I am not offering year-round training on an in person basis. I will not be guiding in 2021. I will be offering to teach you and your friends how to make kings of herds hunt you, through the winter months (Jan, Feb, Mar, and April) and in September and October 2021, but only through PRIVATE LESSONS. CALL TO ASK FOR ALL AVAILABLE DATES

2021 Private Lesson Rates will be the same as they were in 2020. I have included my 2020-2021 Private Lesson Rates in this envelope. If interested in discussing your interest in a Private Lesson, I urge you to CALL ME ASAP at (800)-280-5208. If I do not answer, please leave your name and number and tell me why you called, and I will return your call as soon as possible.
